

DECLARATION AND POWER OF ATTORNEY

We, Yongming Xia, James E. Thompson, and Jeffrey S. Devine, declare:

We are citizens of the United States of America and residents of the City of Kingwood, County of Harris, State of Texas; the City of The Woodlands, County of Montgomery, State of Texas; and the City of The Woodlands, County of Montgomery, State of Texas.

We verily believe ourselves to be the original, first, and joint inventors of the described and claimed in United States Patent Application Serial No. 10/237,554, filed September 9, 2002.

We have reviewed and understand the contents of the specification, including the claims.

That this application in part discloses and claims subject matter disclosed in our earlier filed pending application, Serial No. 09/966,317, filed September 27, 2001.

That, as to the subject matter of this application which is common to said earlier application, we do not know and do not believe that the same was ever known or used in the United States before our invention thereof, or patented or described in any printed publication in any country before our invention thereof or more than one year prior to said earlier application, or in public use or on sale in the United States more than one year prior to said earlier application.

That said common subject matter has not been patented or made the subject of an inventor's certificate before the date of said earlier application in any country foreign to the United States on an application filed by us or our legal representatives or assigns more than twelve months prior to said earlier application.

That the first filed application for patent or inventor's certificate on said invention set forth in said earlier application filed by us or our legal representatives or assigns in any country foreign to the United States is: filed .

As to the subject matter of this application which is not common to said earlier application, we do not know and do not believe that the same was ever known or used in the United States before our invention thereof; or patented or described in any printed publication in any country before our invention thereof or more than one year prior to the date of this application, or in public use or on sale in the United States more than one year prior to the date of this application.

That said subject matter of this application which is not common to said earlier application has not been patented or made the subject of an inventor's certificate in any country foreign to the United States on an application filed by us or our legal representatives or assigns more than twelve months prior to the date of this application.

That the first filed application for patent or inventor's certificate on said invention first set forth in this application filed by us or our representatives or assigns in any country foreign to the United States is: filed .

We acknowledge our duty to disclose information of which we are aware which is material to the patentability of this application in accordance with Title 37, Code of Federal Regulations, § 1.56(a) including matters as occurred between the filing date of our said earlier application and the filing date of this application.

We declare further that all statements made herein of our own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

We hereby appoint William H. Logsdon, Registration No. 22,132; John W. McIlvaine, Registration No. 34,219; Russell D. Orkin, Registration No. 25,363; David C. ASSIGNMENT

WHEREAS, WE, Yongming Xia, James E. Thompson, and Jeffrey S. Devine, residing in the City of Kingwood, County of Harris, State of Texas; the City of The Woodlands, County of Montgomery, State of Texas; and the City of The Woodlands, County of Montgomery, State of Texas, respectively, have invented certain new and useful improvements in "Vertical Filter" for which a patent application was filed in the United States Patent and Trademark Office on September 9, 2002 and bears Serial No. 10/237,554;

AND, WHEREAS, Ashbrook Corporation, a corporation of the State of Texas, having a place of business at 11600 East Hardy, Houston, Texas 77093, hereinafter called the "assignee," is desirous of acquiring the entire right, title, and interest in and to said provisional patent application and the inventions and improvements therein disclosed.

NOW, THEREFORE, for good and valuable consideration paid to us by said assignee, the receipt of which is hereby acknowledged, we do hereby assign, sell, transfer, and set over unto said assignee the entire right, title and interest in and to said provisional application and the inventions and improvements therein disclosed for the United States and all foreign countries and all regular applications claiming the benefit of said provisional application, divisions, reissues, continuations, continuations-in-part, renewals, and/or extensions thereof, said assignee to have and to hold the interests herein assigned to the full ends of the terms of said regular applications claiming the benefit of said provisional application and said divisions, reissues, continuations, continuations-in-part, renewals, and/or extensions thereof, respectively, as fully and entirely as the same would have been held and enjoyed by us had this assignment not been made.

We covenant that we are the lawful owners of the said provisional application, and said inventions and improvements therein disclosed, that the same are unencumbered, that no license has been granted to make, use, or sell the said inventions or improvements or any of them, and that we have the full right to make this assignment.

And for the consideration aforesaid, we agree jointly and individually that we will communicate to said assignee or the representatives thereof any facts known to us respecting said inventions and improvements, and will, upon request, but without expense to us, testify in any legal proceedings, sign all lawful papers, execute all regular, divisional, reissue, continuation, continuation-in-part, renewal, and/or extension applications, make all rightful oaths, and generally do all other and further lawful acts, deemed necessary or expedient by said assignee or by counsel for said assignee, to assist or enable said assignee to obtain and enforce full benefits from the rights and interests herein assigned.

This assignment shall be binding upon our heirs, executors, administrators, and/or assigns, and shall inure to the benefit of the heirs, executors, administrators, successors, and/or assigns, as the case may be, of said assignee.
